College Profile:

Located in the heart of Chennai city, Faculty of Science and Humanities (FSH), a constituent of SRM Institute of Science and Technology, Vadapalani, attracts top calibre students across the country and provides an ideal ambience for the development and growth of its students. The wi-fi enabled campus hosts well planned academic blocks, air-conditioned class rooms, computer labs, lecture halls, library, laboratories, state-of-the art studios, auditorium, conference halls and a hygienic cafeteria. Well qualified and committed faculty impart quality education using innovative learner-centric teaching strategies. FSH has carved a niche for itself with its distinguished alumni holding prestigious positions and our students achieving great feats in academics, sports and co-curricular / extra-curricular activities.

Roadmap to Excellence:

- ✔ To achieve academic excellence through the pursuit of quality education, learning and research with a global perspective.
- ✔ To create an eco-system in the campus that leads to holistic development and ability for life-long learning.
- ✔ To develop employable / entrepreneurial skills for a successful career & to combat the competition in the industry.
- ✔ To foster an environment that ignites an inquisitive mind, nurtures the sense of social responsibility in students and contributes to the sustainable development of the society and the nation.
