4.5 Organizational chart

4.6 Institutional Governance

A flexible governance mechanism allows the institution to make significant strides towards the realization of its goals. Governance is based on the themes of:

- **Autonomy and oversight**

Each school and administrative function sets their own individual strategies along with the Vice-Chancellor of the institution. Along with the strategy, a set of targets and boundary conditions are prescribed against which the progress towards the realization of the strategy is measured.

- **Synergy between academia and administration**

Administrative and administrative tracks are kept separate since the people requirements of individuals in the two tracks are different. Shared services (HR, finance, payroll management, estate management, international relations, etc.) centres are established and operated that service all the faculties.

- **Transparency and accountability**

Transparency is present at two levels – institution to external stakeholders and within the institution. For external stakeholders, annual reports, research publications, academic and process reports are published. Internally, a 360-degree feedback process along with recourse for appraisals is present. To ensure accountability, targets are set every year during the strategy decision phase, against which each function is measured.

- **External advisory**

Statutory academic bodies like the Board of Management, Academic Council, and Boards of Studies are represented by external members from academia and industry who provide useful inputs which are incorporated into the system.

- **Faculty input**

All the statutory bodies of the institute have faculty members representation as mandated by the UGC regulations.

The apex governing body is **Board of Management** and its key functions are:

- To establish, on the advice of academic council, divisions and departments for the academic work and functions of the Institute and to allocate area of study, teaching and research to them.
- To create teaching and academic posts, to determine number, cadres and qualifications thereof as approved by the Commission, statutory body concerned and the emoluments of such posts in consultation with the Finance Committee.

- To approve the award of Degrees and diplomas based on the results of examinations and tests and to confer, grant or award Degrees, Diplomas, Certificates and other academic titles and distinctions:
- To transfer or accept transfers of any movable or immovable property on behalf of the Institute:
 - To manage regulate, and administer the revenue, the Finance, accounts, investments, properties, business and all other administrative affairs of the Institute and for that the purpose to appoint such agent or agents as it may deem fit.

Academic Council

The Academic Council shall be the principal academic body of the Institute and shall, subject to the provisions of the rules, have the control over and be responsible for the maintenance of standards of teaching, research and training, approval of syllabi, coordination of the research activities, examinations and tests within the institute and shall exercise such powers and perform such other duties and functions as may be prescribed or conferred upon it by the Rules of the Institution

Research Advisory Committee

The committee advises the institute on matters related to research, patents and innovations carried out by the faculty/students. It also prepares the budget for research and gets the same approved from the finance committee and board of management.

Planning and Monitoring Board

The Planning & Monitoring Board shall be the principal Planning Body of the Institute and shall be responsible for the monitoring of the development programmes of the Institute. It has the right to advise the Board of Management the Academic Council or any matter which it considers necessary for the fulfillment of the objectives of the Institute.

Finance Committee

To consider the annual accounts and financial estimates of the Institute and submit them to the Board of Management for approval and recommend the annual budget and revised estimates to the Board of Management.

Student Feedback on Institutional Governance/ Faculty performance

A digital feedback mechanism is in place to identify the teaching learning gaps. The feedback is based on 12 parameters and is taken twice a semester. The same is communicated to faculty members for improvement and quality assurance.

4.7 Grievance Redressal mechanism for Faculty, staff, and students

With reference to UGC, Ministry of Human Resource Development, Government of India's letters of even number dated 28.01.2015 and 14th May, 2019, SRM Institute of Science and Technology reconstituted the Internal Grievances Committee (ICC) with the following members to deal with the issue of gender-based violence and to conduct gender sensitization program.

Internal Quality Assurance Cell

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post- accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

SRMIST, VDP is NAAC accredited and the IQAC was established at SRMIST, VDP to strive for the betterment of processes and setup. The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

9.8 Extra-Curricular Activities

NSS

SRM IST, Vadapalani campus is known for its excellence not only in academics but also in community services. Our NSS volunteers conduct programs such as Drug awareness program, Swachhata Pakhwada – Swachhata Hi Seva, TREE PLANTATION “ONE STUDENT ONE TREE” DRIVE and NSS Village camp. The NSS volunteers are active and they organize innumerable activities every semester. They learn the important aspect of being fruitful to the needy people because service to the people who are in need is divine quality of any individual.

Rotaract Club

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are either community or university based, and they are sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary. As one of Rotary is most significant and fastest-growing service programs, with more than 8,400 clubs in about 170 countries and geographical areas, Rotaract has become a worldwide phenomenon. The Rotaract club was inaugurated in the Vadapalani campus on the 31st of March, 2011. The sponsor club for SRM is The Rotary club of Meenambakkam.

All Rotaract efforts begin at the local, grassroots level, with members addressing their communities physical and social needs while promoting international understanding and peace through a framework of friendship and service

Saksham

UNESCO declares that the concept of gender sensitivity has been developed as a way to reduce barriers to personal and economic development created by sexism. Gender sensitivity helps to generate respect for the individual regardless of sex. Gender sensitivity is not about pitting women against men. On the contrary, education that is gender sensitive benefits members of both sexes. It helps them determine which assumptions in matters of gender are valid and which are stereotyped generalizations. Gender awareness requires not only intellectual effort but also sensitivity and open-mindedness. It opens up the widest possible range of life options for both women and men.

As per the requirements of the UGC- SAKSHAM initiative Gender sensitization and Self defense workshop was organized at the SRM Institute of Science and Technology (SRMIST) Vadapalani campus. The following are the activities conducted as a part of the SAKSHAM initiative in the Vadapalani campus.

- Workshop on Self Defense for Girl
- Legal Awareness camps
- Health and hygiene for women
- Women empowerment session
- Session on work life balance for women
- Session on women safety

Soft Skill Development Facilities

Communication skill is developed among the students through Language Lab. Foreign Languages like French, German & Japanese are taught by the Department of English & Foreign Languages.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/ payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) **UNHEDGE FOREIGN CURRENCY EXPOSURE**

For financial year 2019-20 - NIL (PY - NIL)

7 Taxation

No provision for income tax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9 Previous year figures

Previous year figures were regrouped wherever necessary.

10) All Debtors and Creditors transaction balances as at 31st March 2020 are subject to reconciliation and confirmation.

INDEPENDENT AUDITORS' REPORT

**To the Trustees of SRM Institute of Science and Technology
Report on the Audit of Financial Statements**

Opinion

We have audited the accompanying financial statements of SRM Institute of Science and Technology ("the Trust"), which comprise the Balance Sheet as of 31 March 2024, and the Income and Expenditure Statement for the year then ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Trust as of 31 March 2024 and its excess of income over expenditure for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management and the Trustee's Responsibility for the Financial Statements

The Management and the Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with accounting principles generally accepted in India. This responsibility also includes the design, implementation and maintenance of adequate internal controls, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Management and the Trustees are also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in

B. Purushottam & Co.

the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustee's regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices.

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt / payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) UNHEDGE FOREIGN CURRENCY EXPOSURE

For financial year 2023-24 NIL (PY - NIL)

7 Taxation

No provision for incometax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9

During FY 2023-24, the Trust had transferred remaining land and building, other fixed assets and assets & liability balances in the Ramapuram & Trichy Campus to SRM Institute of Medical and Technical Research Trust (SRM IMTR) as a gift. The total value of this transfer amounted to INR 520.52 crores, which is reduced from the General Fund accumulated by the Trust.

10
