10	Prof. G. Augustine Maniraj Pandian, Dean [IQAC]	Member
11	Dr. B. Neppolian, Dean [Research]	Member
Outside Experts of Eminence		
12	Dr. A. Senthil Kumar, Department of Mechanical Engineering, National University of Singapore -117576	Expert of eminence/ Member
13	Dr. Preetam Kumar, SMIEEE Associate Professor, Dept. of Electrical Engineering, IIT, Patna	Expert of eminence/ Member
14	Dr. Sanjay Tyagi Director, Software Technology Parks of India, No.5,3 rd Floor, Rajiv Gandhi Salai, Taramani, Chennai - 600113	Expert of eminence/ Member
15	Dr. Pradeep K. Sinha Vice Chancellor & Director International Institute of Information Technology [IIIT] Naya Raipur, Chhattisgarh- 493661	Expert of eminence/ Member
16	Shri Benjamin Lionel Professor of Practice Optics and Photonics Centre Room No.337, Block-II Indian Institute of Technology, Hauz Khas, New Delhi – 100 016	Expert of eminence/ Member
17	Shri. Rama Krishna Prasad Vemana Vice President Morgan Stanley Investment Bank, Bengaluru, Karnataka	Expert of eminence/ Member
18	Dr. A.N. Parameswaran Director, NMAMIT & Coordinator, NITTE Education Trust, Mangaluru, Karnataka State	Expert of eminence/ Member

4.5 Organizational chart

4.6 Institutional Governance

A flexible governance mechanism allows the institution to make significant strides towards the realization of its goals. Governance is based on the themes of:

- **Autonomy and oversight**

Each school and administrative function sets their own individual strategies along with the Vice- Chancellor of the institution. Along with the strategy, a set of targets and boundary conditions are prescribed against which the progress towards the realization of the strategy is measured.

- **Synergy between academia and administration**

Administrative and administrative tracks are kept separate since the people requirements of individuals in the two tracks are different. Shared services (HR, finance, payroll management, estate management, international relations, etc.) centres are established and operated that service all the faculties.

- **Transparency and accountability**

Transparency is present at two levels – institution to external stakeholders and within the institution. For external stakeholders, annual reports, research publications, academic and process reports are published. Internally, a 360-degree feedback process along with recourse for appraisals is present. To ensure accountability, targets are set every year during the strategy decision phase, against which each function is measured.

- **External advisory**

Statutory academic bodies like the Board of Management, Academic Council, and Boards of Studies are represented by external members from academia and industry who provide useful inputs which are incorporated into the system.

- **Faculty input**

All the statutory bodies of the institute have faculty members representation as mandated by the UGC regulations.

The apex governing body is Board of Management and its key functions are:

- To establish, on the advice of academic council, divisions and departments for the academic work and functions of the Institute and to allocate area of study, teaching and research to them.
- To create teaching and academic posts, to determine number, cadres and qualifications thereof as approved by the Commission, statutory body concerned and the emoluments of such posts in consultation with the Finance Committee.

- To approve the award of Degrees and diplomas based on the results of examinations and tests and to confer, grant or award Degrees, Diplomas, Certificates and other academic titles and distinctions
- To transfer or accept transfers of any movable or immovable property on behalf of the Institute
- To manage regulate, and administer the revenue, the Finance, accounts, investments, properties, business and all other administrative affairs of the Institute and for that the purpose to appoint such agent or agents as it may deem fit.

Academic Council

The Academic Council shall be the principal academic body of the Institute and shall, subject to the provisions of the rules, have the control over and be responsible for the maintenance of standards of teaching, research and training, approval of syllabi, coordination of the research activities, examinations and tests within the institute and shall exercise such powers and perform such other duties and functions as may be prescribed or conferred upon it by the Rules of the Institution

Research Advisory Committee

The committee advises the institute on matters related to research, patents and innovations carried out by the faculty/students. It also prepares the budget for research and gets the same approved from the finance committee and board of management.

Planning and Monitoring Board

The Planning & Monitoring Board shall be the principal Planning Body of the Institute and shall be responsible for the monitoring of the development programmes of the Institute. It has the right to advise the Board of Management the Academic Council or any matter which it considers necessary for the fulfillment of the objectives of the Institute.

Finance Committee

To consider the annual accounts and financial estimates of the Institute and submit them to the Board of Management for approval and recommend the annual budget and revised estimates to the Board of Management.

Student Feedback on Institutional Governance/ Faculty performance

A digital feedback mechanism is in place to identify the teaching learning gaps. The feedback is based on 12 parameters and is taken twice a semester. The same is communicated to faculty members for improvement and quality assurance.

4.7 Grievance Redressal mechanism for Faculty, staff, and students

In order to comply with the provisions of the University Grants Commission [Redressal of Grievances of Students] Regulations, 2023 notified on 11-04-2023, the Students Grievances Redressal Committee (SGRC) was constituted earlier as referenced. Due to the resignation and transfer of certain members, the Students Grievances Redressal Committee is reconstituted with the following members at SRM Institute of Science and Technology, Vadapalani Campus.

Sl. No.	Name and Designation	Position
1	Dr. C. Gomathy, Professor & VP (Academics)	Chairperson
2	Dr. Fernandes Jayashree Felix, Professor & IQAC Coordinator	Member
3	Dr. S. Karthik, Associate Professor (ECE)	Member
4	Dr. V. Prabhakaran, Head, Department of Commerce (Hons), International Accounting & Finance	Member
5	Dr. M. N. Praba Devi, Professor & Programme Coordinator, FOM	Member
6	Dr. Kalaivani M., Associate Professor, FOM	Member
7	Ms. Nandhini Raja, Reg. No.: RA2211003040109, CSE, 3rd Year	Special Invitee
8	Ms. Amirthaa R., Reg. No.: RA2452001040075, MBA, 1st Year	Special Invitee
9	Ms. Yathika M., Reg. No.: RA2331207040045, B.Com (Hons) IAF, 2nd Year	Special Invitee

Notes:

1. The term of the Chairperson and members shall be two years.
2. The quorum for the meeting, including the Chairperson but excluding special invitees, shall be three.
3. The Committee shall conduct periodic meetings in every six months and shall record the minutes of the meeting.
4. The copy of the grievance received through the online portal shall be forwarded to the Chairperson by the Associate Director (Student Affairs).
5. The Committee shall fix a date for hearing the complaint and send its recommendations, if any, to the Registrar, with a copy marked to the student, within 15 working days from the date of receipt of the complaint.
6. Any student aggrieved by the decision of the SGRC may prefer an appeal to the Ombudsperson within a period of 15 days from the date of receipt of the decision.

4.8 Anti-Ragging Committee

As per the All-India Council for Technical Education (Prevention and Prohibition of Ragging in Technical Institutions, Universities including Deemed to be Universities imparting technical education) Regulations 2009 Dated 01-07-2009, the anti-ragging committee comprising of the following members has been constituted to prevent any act of ragging. Complaints can be raised at the following email ID antiragging.helpline.vdp@srmist.edu.in

4.9 Establishment of Committee for SC/ST

SC/ST cell has been constituted in the Vadapalani campus to resolve all the affairs and problems related to the SC/ST students and faculties with the following objectives:

- To create a platform where students can point out their problems, regarding academic and nonacademic matters.
- To monitor the implementation of reservation policy in the institution.

The committee is responsible for:

- Understanding the problems of students and faculties belong to SC/ST communities and taking necessary action and necessary advice/help to resolve the matter.
- Creating awareness among the SC/ST students regarding the various Government and Non-Government scholarship schemes.
- Counseling the students to help them overcome inferiority complex related to interaction with fellow students and personal grooming, etc.

SC/ST Cell Committee Members:

S. No	Faculty Name	Role in committee	Designation/ Department
1	Dr. N. Dinakar	Chairman	Assistant Professor (Sr.G) / Mechanical Engineering
2	Mr. P. Rathina Kumar	Member	Assistant Professor (Sr.G) / Electronics and Communication Engineering
3	Dr. P. Jayanthi	Member	Assistant Professor (Sr.G) / CSE – (Emerging Technologies)
4	Dr. Shuvra Singha	Member	Assistant Professor / Chemistry
5	Dr. R. Manigandan	Member	Assistant Professor / Management Studies

Internal Quality Assurance Cell

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post- accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

SRMIST, VDP is NAAC accredited and the IQAC was established at SRMIST, VDP to strive for the betterment of processes and setup. The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

5. Programmes

5.1 Name of Programmes approved by AICTE

Department of Computer Science and Engineering

- B.Tech. – Computer Science Engineering
- B.Tech. – Computer Science & Engineering with Specialization in Artificial Intelligence & Machine Learning
- B.Tech. – Computer Science & Business System
- B.Tech. – Computer Science & Engineering with Specialization in Big Data Analytics
- B.Tech. – Computer Science and Engineering with Specialization in Cyber Security
- B.Tech. – Computer Science Engineering (Working Professionals)
- M.Tech. – Computer Science Engineering
- M.Tech. – Computer Science & Engineering with Specialization in Artificial Intelligence & Machine Learning

Department of Electronics and Communication Engineering

- B.Tech. – Electronics & Communication Engineering
- B.Tech. – Electronics Engineering (VLSI Design and Technology)
- B.Tech. – Electronics & Communication Engineering with Specialization in Data Science
- B.Tech. – Electronics & Communication Engineering (Working Professionals)
- M.Tech. – VLSI Design

Department of Mechanical Engineering

- B.Tech. - Mechanical Engineering
- B.Tech. - Mechanical Engineering with Specialization in Artificial Intelligence and Machine Learning
- B.Tech. - Mechanical Engineering (Working Professionals)

Department of Management Studies

- BBA
- MBA
- MBA (Banking and Financial Services)
- MBA (Working Professionals)

Department of Computer Applications

- BCA
- MCA

Ph. D.

- Engineering / Management / Science

Status of Accreditation of the Courses : NAAC A++ Grade

Total number of Courses : 22

5.2 Approved Intake details

Level	Course	Intake Approved for 2023–24	Intake Approved for 2024–25	Intake Approved for 2025–26
Under Graduate	Computer Science & Business System	60	60	60
Under Graduate	Computer Science & Engineering	120	120	120

Collaboration with foreign universities (Semester Abroad Program)

SRM University is recognized across the country for its high standards of education, exciting opportunities and excellent placement. To maintain its top position, the University is spearheading with Semester Abroad Program (SAP), a unique initiative providing its students international exposure and global opportunities. Under the Semester Abroad Program the students are allowed to take up a few courses and / or a Major project in reputed foreign universities for ONE semester.

Details of the Foreign University for Semester Abroad Program

S. No.	UNIVERSITY	BRANCH

81	AIMST University	BioTechnology / Chemical
82	Sunway University	BioTechnology / Chemical

Twining / Transfer Program

Twinning / Transfer programs allow SRMIST to offer Bachelors (UG) degree programs which will have their regular curricula. Through twinning / transfer programs, SRMIST students will be able to transfer their credits to the partnering universities after completing two years of their studies in SRMIST. Students, who opt for transfer, can then finish their degree by completing the remaining course duration at the partnering universities.

The number of credits for students admitted on transfer basis will be at the discretion of the partnering universities. Students enrolling in the Twinning program in the partnering universities will be given degrees by the partnering universities after successful completion of study. Transfer students will be charged the prevailing tuition by the partnering universities.

International Office of SRMIST has a unit that functions to stimulate curiosity for learning and access for students to Transfer and Pathway Programs at Bachelors level. Working closely with leading universities around the world, the unit offers a simple way of getting an international degree.

Partnering Universities

1. Illinois Institute of Technology

USA

2 years @ SRM + 2 years @ IIT, USA

B.Tech @ SRM

Branch: Mechanical, CSE, ECE, Civil, Aerospace, Mechatronics

Award of Degrees: Bachelor of Science (BS) by Illinois Institute of Technology

2. University of Edinburgh

UK

2+2 **Branch:** ECE **Degree:** Bachelor's in Electrical and Computer Science Engineering

3. Binghamton University

USA

3.5 years @ SRM + 1.5 years @ Newyork

B.Tech @ SRM

Branch: CSE, Mechanical

Award of Degrees: Master of Science (MS) by Binghamton University

4. University of Western Australia

Australia

2+2

Branch: CSE, ECE, EEE & Mech

Degree: Bachelor's in CSE, Bachelor's in ECE, Bachelor's in EEE, Bachelor's in Mechanical Engineering

5. University of Nottingham

UK

2 years @ SRM + 2 years @ University of Nottingham

B.Tech @ SRM

Branch: ECE

Award of Degrees: Bachelor of Science (BS) by Nottingham University

Dual Degree / Pathway Program

A dual degree program involves a student working for two different university degrees in parallel, either at the same institution or at different institutions, may be in different countries, completing them in less time than it would take to earn them separately. The two degrees might be in the same subject area or in two different subjects. The dual degree concept is more popular in European Union, as the gaining of qualifications from more than one country is seen as an advantage in the European labour market. India, after opening its higher education to private players, is seeing a growth in the dual degree programs with foreign universities.

Dual Degree programs allow SRMIST to offer Bachelors (UG) or Masters (PG) degree programs which will have their regular curricula. The existing curricula may be supplemented by additional curricula of the partnering universities if required. Dual Degree students will be charged the prevailing tuition by the partnering universities. Students who do not plan to go to the partnering universities and students who have been unable to get visas will complete their program of study in SRMIST, would be awarded degrees by SRMIST.

SRM Academy for International Program (AIP) is designed to stimulate curiosity for and love for learning, which widens the scope of educational opportunity and access for students. SRMIST works closely with leading universities around the world to offer an affordable way of getting an internationally recognised qualification. In response to enquiries from parents and students across the country for (i) Twinning (Transfer) Degree overseas (ii) Dual Degree overseas, AIP is well positioned to offer such programs in collaboration with world's best universities to provide students with skills necessary to be successful in the 21st century and well as empower all students to be engaged citizens of the world. The eligibility requirements are different for the regular programs.

Partnering Universities

1. The George Washington University

USA

4+1 Branch: ALL (CET & FSH)

Degree: MS, MSBA, MSPM, MSIST

2. Deakin University

Australia

3+2 **Branch:** CSE

Degree: Master's in CS

3. University of Western Australia

Australia

5+2, **Branch:** CSE, ECE, EEE & Mech

Degree: MS

4. National University of Singapore

Singapore

3+1+1 **Branch:** Physics, Civil, Biomedical, CSE

Degree: Masters

9.4 Mechanical

List of Major Equipment/Facilities in each Laboratory / Workshop

Name of the Lab	List of Major Equipments / Facility / Softwares / Special Tools
Active Learning Lab	Lami's Theorem Equipment, Four Bar Mechanism Experiments Setup, Friction Board Set, Worm And Worm Wheel Apparatus, Screw Jack Apparatus, Bar Pendulum, Pulley Demonstration Set
Automation Lab	Design & Testing of Fluid power Circuits to Control (velocity, direction, force & speed), Stepper Motor Interface With 8051 Micro controller, Desing of Circuits With Logic Sequence Using Pneumatic Trainer Kit, Circuits With Multiple Cylinder Sequences In Electro Pneumatic Using PLC (VERSA PRO SOFTWARE), Computrised data logging system with control for process variable like pressure , flow & temperature (DIGITAL PID SOFTWARE), Air Compressor With Storage Tank, Siulation of basic electrical circuit using software (FLUID SIM-PNEUMATIC SOFTWARE), Simulation of basic hydraulic circuit using software (FLUID SIM-HYDRAULIC SOFTWARE), Servo controller interfacing for DC, PID Controller Interfacing , Speed control of AC & DC drives.
Heat Power Lab	Cleveland Flash and Fire Point- Open Cup Apparatus, Morse Test (4 stroke) Petrol with Hydraulic Dynamometer, Pensky Martin Flash and Fire point- Closed Cup Apparatus, Redwood Viscometer, Saybolt viscometer, Single Cylinder 4 stroke diesel test rig- low speed - belt

	brake, Single Cylinder 4 Stroke Diesel test rig- High Speed - Rope Brake(10 HP), Single Cylinder 4 stroke petrol cut section, Single Cylinder 4 Stroke Petrol Test Rig(Rope Brake), Single Cylinder 2 Stroke Diesel Cut Section, Twin Cylinder Diesel Engine Test Rig, single cylinder four stroke petrol engine test rig, Two stage reciprocating air compressor test rig, performance study on CI Engine test rig with Eddy current Dynamometer
Computer Aided Manufacturing Lab	CNC Lathe max turning Machine, CNC Vertical Milling Machine, CNC software
Computer Aided Design Lab	Auto CAD, Fusion, Ansys
Machine Dynamics Lab	Turn table apparatus for determining Torsional Frequencies, Transverse Vibration for various condition for free to free, fixed to free, Flywheel with connecting Rod, CAM Profile Analyser, Whirling of Shaft, Balancing of Rotating Masses, Drill Tool Dynamometer, Gear Model, Kinetic Model and Gears, Lathe Tool Dynamometer, Milling Tool Dynamometer, Motorised Gyroscope, Spring Mass System, Universal Governor (Pendulum Type, Loaded Type), Strain Gauge bonded Cantilever setup with Single Channel Digital Strain Meter, Vibration Setup for Vibration of Beams, Torque and Speed Analysis using Epicyclic Gear Train Apparatus, Dynamic Balancing of Reciprocating Masses, Free Damped and Undamped Torsional Vibration of Single Rotor Single, Transmissibility Ratio in Vibration System, Drill Machine Vice- 4"
Manufacturing Process Lab	Lathe, All Geared Lathe, Surface Grinder, Vertical Milling Machine, Universal Milling Machine, Planner, Cylindrical Grinder, Radial Drilling Machine, Gear Hobbing Machine, Bench Grinder, Rotary Table, Capstan Lathe, Turret Lathe, Shaping Machine, Slotting Machine, Tool And Cutter Grinder
Metrology and Quality Control Lab	Vernier Calipers, Micrometers, Vernier Height Gauge, Vernier Depth gauge, Micrometer depth gauge, Surface Plate, Standard Balls, Bevel Protractor, Autocollimator, Mechanical Comparator, Electrical Comparator, Pneumatic Comparator, Sine Bar, Sine center, Slip Gauge sets, Optical Projector, Michelson Interferometer
Fluid Dynamics Lab	Peltier Wheel, Francis Turbine, Kaplan Turbine, Centrifugal Pump, Submersible pump, Gear Pump, Jet Pump, Reciprocating Pump, Venturimeter, Orificemeter, Pitot Tube, Bernoulli's apparatus, Rayleigh's Apparatus, Free and Forced Vortex flow Setup, Cavitation Setup, Impact

	of Jet on Venes setup, Pipe Friction losses Setup
Strength of Materials Lab	Universal Testing Machine, Compression Testing Machine, Bend and Rebend Testing Machine, Fatigue testing machine, Torsion testing machine, Brinell hardness tester, Rockwell Hardness tester, Deflection test apparatus, Impact testing machine, Spring testing machine
Heat and Mass Transfer Lab	Air-Conditioning Test Rig, Composite Wall Apparatus, Emissivity Measurement Apparatus, Forced convection Apparatus, Guarded Plate Apparatus, Lagged Pipe Apparatus, Natural Convection Apparatus, Parallel/Counter Flow Apparatus, Pin-Fin Apparatus, Refrigeration Test Rig, Stefan-Boltzmann Apparatus, Analysis of Shell and Tube heat exchanger, Thermal conductivity of Insulating Material, Study on Drop Film Wise Condensation, Study on Critical Heat Flux Apparatus, Analysis of Plate Type Heat exchanger, Analysis of Fined Heat exchanger
Materials Technology Lab	Hot air oven, Metallography charts, Double disk polisher machine, Jomney end quench apparatus, Muffle furnace, Specimen cut of machine, Specimen mounting press, Trinocular metallurgical microscope, Pin On Disc wear & friction tester, Electronic Tensometer ER – 3, Olympus Model GX – 41 Inverted Metallurgical Microscope
Civil and Mechanical Engineering Workshop	Fitting tools, Carpentry tools, Plumbing Tools, Welding setup, Sheet metal tools, smithy, injection moulding, foundry tools

9.5 MBA

Ex no	Name of the Exercise
1	Descriptive statistics- measures of location
2	Analyzing distribution using excel
3	Basic string functions
4	Measures of variability
5	Measures of association between two variables
6	Conditional formatting
7	Compare two lists
8	Data visualization using excel
9	Data analytical processing using MS-excel pivot table
10	Online data analytical processing using MS-excel - slicer

11	Advanced data visualization using Excel
12	Data dashboard
13	Linear regression and correlation
14	Forecasting method in excel
15	Forecast error: mean absolute deviation (mad) & mean absolute error (mae)
16	Moving average
17	Exponential smoothing
18	Least square graph
19	Time series forecasting
20	Estimating seasonal factors
21	Multiple regression using excel
22	What if analysis
23	Sensitivity analysis
24	Functions of modeling
25	Maximization and minimization
26	Introduction to SPSS
27	Data transformations, recoding variables, and selecting cases
28	Sorting data, splitting and merging files
29	Descriptive statistics
30	Correlation analysis
31	Linear regression
32	Multiple regression
33	Cross tabulation analysis
34	One-way Anova test
35	Two-way Anova test
36	Independent sample t-test
37	Factor analysis in SPSS
38	Cluster analysis in SPSS
39	Introduction to Tableau
40	Visualization using Tableau
41	Sort the data & analyzing it using Tableau
42	Introduction to MS Power BI
43	Importing and entering data in MS Power BI
44	Creating column chart & bar chart in MS Power BI

45	Introduction to R
46	Creating histogram in R
47	Creating pie chart using R
48	Basic data type in Python

9.6 Software, all design tools in CSE

1. Orcad - A Proprietary Software Tool Suite Used For Electronic Design Automation(EDA).
2. BenchMark Training in Networks-Lan Trainer V1.4
3. Routing Simulator V1.0 (Multi-User License) –Benchmark Lan Trainer
4. Wireless N 150 USB Adapter D-Link Dwa-123 V 1.0
5. MATLAB R2011a
6. XILINX ISE DESIGN SUITE Version 13
7. CADENCE Tool (University Bundle Analog & Digital FE &BE)'

9.7 Computing Facilities

S.No	Details	Data
1	Internet Bandwidth	1. 155 Mbps
2	Total Number of Systems & Configuration of System	Dell optiplex 390 core i3 processor 4GB ram 500 GB HDD Hp 3090 core2 duo processor 2GB ram 500 GB HDD Hp 2355 AMD processor 2GB ram 500 GB hard disk
3	Total number of system connected by LAN	750systems
4	Total number of system connected by WAN	750systems
5	Major software packages available	SPSS, Tally, MS Office 2010, Visual Studio, Xilinx, Matlab, Autocad, Solid Works
6	Special purpose facilities available (Conduct of online Meetings / Webinars / Workshops, etc.)	Zoom
7	Facilities for conduct of classes/courses in online mode (Theory & Practical)	Google Gsuit

9.8 Software, all design tools in ECE

1. Orcad - A Proprietary Software Tool Suite Used For Electronic Design Automation(EDA).
2. BenchMark Training in Networks-Lan Trainer V1.4
3. Routing Simulator V1.0 (Multi-User License) –Benchmark Lan Trainer
4. Wireless N 150 USB Adapter D-Link Dwa-123 V 1.0
5. MATLAB R2011a
6. XILINX ISE DESIGN SUITE Version 13
7. CADENCE Tool (University Bundle Analog & Digital FE &BE)
8. Synopsys TCAD
9. Siemens EDA

9.9 Social Media Cell

S. No.	Social Media	Role in the committee	Designation / Department
1	Dr. Golda Dilip	Coordinator	Professor & Head / CSE
2	Ms. V. Akila	Asst.Prof.(O.G) / ECE	Asst.Prof.(O.G) / ECE

4	Mr. R. Gowri Manohar	Asst.Prof.(O.G) /MECH	Asst.Prof.(O.G) /MECH
5	Dr Bharthvajan	Member	Asst.Prof. (O.G) / FoM
6	Dr. N. Rameshan	Member	Asst.Prof. (O.G) / Maths

9.10 Extra-Curricular Activities NSS

SRM Institute of Science and Technology, Vadapalani Campus actively promotes social responsibility and community engagement through its vibrant National Service Scheme (NSS) activities. During the academic year, NSS volunteers enthusiastically participated in Swachhata Hi Seva 2024, organizing cleanliness drives on and around the campus and at Marina Beach to support the Swachh Bharat Abhiyan, thereby instilling in students the values of hygiene, environmental sustainability, and collective responsibility among students. Further strengthening its outreach, the NSS unit conducted a one-week Unnat Bharat Abhiyan (UBA) village camp at Anaikattucherry Village, Thiruvallur District, where volunteers engaged in village cleaning, tree plantation, helmet and drug awareness rallies, school premises cleaning, yoga sessions, basic science and engineering awareness programs, sports activities, and interactions with local farmers on organic cultivation. Through these diverse activities, NSS volunteers not only contribute meaningfully to society but also imbibe the spirit of service, leadership, and empathy, reinforcing the belief that service to humanity is a noble and transformative endeavor. They learn the important aspect of being fruitful to the needy people because service to the people who are in need is divine quality of any individual.

Saksham

UNESCO declares that the concept of gender sensitivity has been developed as a way to reduce barriers to personal and economic development created by sexism. Gender sensitivity helps to generate respect for the individual regardless of sex. Gender sensitivity is not about pitting women against men. On the contrary, education that is gender sensitive benefits members of both sexes. It helps them determine which assumptions in matters of gender are valid and which are stereotyped generalizations. Gender awareness requires not only intellectual effort but also sensitivity and open-mindedness. It opens up the widest possible range of life options for both women and men.

As per the requirements of the UGC- SAKSHAM initiative Gender sensitization and Self defense workshop was organized at the SRM Institute of Science and Technology (SRMIST) Vadapalani campus. The following are the activities conducted as a part of the SAKSHAM initiative in the Vadapalani campus.

- Workshop on Self Defense for Girl
- Legal Awareness camps
- Health and hygiene for women
- Women empowerment session
- Session on work life balance for women
- Session on women safety

Soft Skill Development Facilities

Communication skill is developed among the students through Language Lab. Foreign Languages like French, German & Japanese are taught by the Department of English & Foreign Languages.

Schedule 6

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt / payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) UNHEDGE FOREIGN CURRENCY EXPOSURE

For financial year 2020-21 NIL (PY - NIL)

7 Taxation

No provision for incometax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9 Previous year figures

Previous year figures were regrouped wherever necessary.

10) Related party transaction balances as on 31-03-2021 are subject to reconciliation and confirmation.

Schedule 6

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt / payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) **UNHEDGE FOREIGN CURRENCY EXPOSURE**

For financial year 2021-22 NIL (PY - NIL)

7 Taxation

No provision for incometax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9 Previous year figures

Previous year figures were regrouped wherever necessary.

10) Related party transaction balances as on 31-03-2022 are subject to reconciliation and confirmation.

Schedule 6

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt / payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date.

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) **UNHEDGE FOREIGN CURRENCY EXPOSURE**

For financial year 2022-23 NIL (PY - NIL)

7 Taxation

No provision for incometax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9

During FY 2022-23, land and buildings amounting to Rs. 480.39 crores (Rs. 140.62 pertaining to Ramapuram campus and Rs. 339.76 crores of Trichy campus) were gifted to SRM Institute of Medical and Technical Research Trust. The value of these assets are reduced from the fixed assets and from the General Fund accumulated by the Trust.

10 Debtors and creditors balances as at 31 March 2023 are subject to confirmation.

11 Previous year figures

Previous year figures were regrouped wherever necessary.

INDEPENDENT AUDITORS' REPORT

**To the Trustees of SRM Institute of Science and Technology
Report on the Audit of Financial Statements**

Opinion

We have audited the accompanying financial statements of SRM Institute of Science and Technology ("the Trust"), which comprise the Balance Sheet as of 31 March 2024, and the Income and Expenditure Statement for the year then ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Trust as of 31 March 2024 and its excess of income over expenditure for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management and the Trustee's Responsibility for the Financial Statements

The Management and the Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with accounting principles generally accepted in India. This responsibility also includes the design, implementation and maintenance of adequate internal controls, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Management and the Trustees are also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in

B. Purushottam & Co.

the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustee's regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Schedule 6

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 General

Financial Statements are prepared under historical cost convention and in accordance with generally accepted accounting practices.

2 Fixed Assets

Fixed Assets are stated at the values at which they are acquired, less accumulated depreciation. The value at which fixed assets are acquired includes all related expenses upto the date of putting them to use.

3 Depreciation

Depreciation is provided under written down value method, in accordance with rates and rules prescribed in Income Tax Act.

4 Inventories

Stores & Medicines are valued at cost or market price whichever is lower.

5 Fee Collections

Fees from students are accounted on the basis of accrual method of accounting.

6 Foreign Exchange Transactions

a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of transactions, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt / payment during the year.

b) At each Balance Sheet date

Foreign currency monetary items are reported using the rate of exchange arising on that date

Foreign currency non-monetary items are reported using the exchange rate at which they are initially recognised.

c) UNHEDGE FOREIGN CURRENCY EXPOSURE

For financial year 2023-24 - NIL (PY - NIL)

7 Taxation

No provision for incometax is considered as the Trust is exempt from tax under Section 10(23C) of the Income Tax Act.

8 Impairment of Assets

Impairment losses, if any, are recognised in accordance with Accounting Standard 28 issued in this regard by Institute of Chartered Accountants of India.

9

During FY 2023-24, the Trust had transferred remaining land and building, other fixed assets and assets & liability balances in the Ramapuram & Trichy Campus to SRM Institute of Medical and Technical Research Trust (SRM IMTR) as a gift. The total value of this transfer amounted to INR 520.52 crores, which is reduced from the General Fund accumulated by the Trust.

10

During FY 2023-24, the Trust had land and building, other fixed assets and assets & liability balances of SRM Institute of Medical Sciences (SIMS) to SRM Educational and Research Institute (SRM ERI) as a gift. The total value of this transfer amounted to INR 222.26 crores, which is reduced from the General Fund accumulated by the Trust.

11

Debtors and Creditors balances as at 31 March 2024 are subject to confirmation.

12

Previous year figures

Previous year figures were regrouped wherever necessary.

Managing Trustee

(Amount in Rs.)

1 Brief about the entity

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY ("the Trust") is registered under the Indian Trusts Act 1882 as a public charitable trust. It was formed on 30th July 2001. The principal objective of the Trust is running educational institutions and providing medical services. The registered office of the Trust is located at No.3, Veerasamy Street, West Mambalam, Chennai - 600033. The Trust is registered under section 10(23C)(vi) of the Income Tax Act, 1961 having a Unique Registration Number AADTS3688KF20211, valid till 31 March 2026 (AY 2026-27).

2 Significant accounting policies

a. Basis of preparation of financial statements

The Balance Sheet, Statement of Income and Expenditure and the notes to the financial statements are prepared under the historical cost convention and in accordance with the Guidance Note on Financial Statements for Non-Corporate Entities issued by the Institute of Chartered Accountants of India ('ICAI'). The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements are presented in Indian Rupees (INR) which is the functional currency of the entity.

b. Use of Estimates

The preparation of financial statements are in conformity with the generally accepted accounting principles which requires the estimates and assumption that affect the reported amount of assets, liabilities, revenue and expenses and disclosure of contingent liabilities at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluations of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

c. Current versus Non current classification

The Trust presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Trust has identified twelve months as its operating cycle.

d. Property, Plant & Equipment

Tangible Assets

PPE are stated at cost of acquisition or contrivution less accumulated depreciation. The cost of PPE includes the purchase cost and any other directly attributable costs of bringing the assets to their working condition for the intended use. PPE received as donation in kind are measured and recognised at fair value on the date of being ready for their intended use. Advances paid towards the acquisition of assets as at the balance sheet date disclosed under long-term loans and advances.

(Amount in Rs.)

Intangible Assets

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated depreciation.

e. Depreciation and amortisation

Depreciation on tangible assets and amortisation on intangible assets is provided on a written down value method over the useful lives of the assets. Individually low cost assets acquired for less than INR 5,000 are depreciated fully during the year of acquisition. Land is not depreciated.

f. Income

Fees from students

Fees received from students including tuition fees are recognized over the period of the course. Admission fees, if non-refundable and not linked to any specific service obligation, are recognized as income when received. Other receipts like exam fees, library fees, and hostel charges are recognized on accrual basis over the period for which the related services are rendered.

Income from hospitals and medical relief

Income from patients is recognized at the time the services are rendered. Hospital charges including consultation, diagnostic, treatment, room rent, and other medical services are recorded based on actual services provided. Income from third-party payers such as insurance companies is recognized on accrual basis when there is reasonable certainty of ultimate collection.

Grants and donations received in cash

Donations received in cash, other than those received for depreciable PPE or towards corpus fund, are recognised as income when the donation is received, except where the terms and conditions require the donations to be utilised over a certain period. Donations received in cash towards non-depreciable assets, the ownership of which lies with the Trust, are treated as earmarked donations and not recognised as income.

Grants and donations received in kind

Donations received in kind from non-government entities, other than those received for depreciable assets, are measured at fair value on the date of receipt and recognised as income only upon their utilisation. Donations received in kind towards depreciable fixed assets is treated as deferred donation income and recognised as income on a straight line basis over the life of the asset.

Donations received with specific direction

Donations made with a specific direction that they shall form part of the Corpus Fund or Endowment Fund of the Trust are classified as such and directly reflected in the balance sheet.

Interest income

g. Foreign Currency Transactions

Transactions in Foreign Currency are recorded at rates prevailing on the date of respective transaction. Foreign currency monetary assets and liabilities are translated at year end exchange rates. The gain or loss due to increase or decrease in rupee liability due to fluctuation in exchange rate is recognized in the statement of income & expenditure.

h. Income Taxes

The Trust is registered under section 10(23C)(vi) of the Income Tax Act, 1961 ('the Act'). Under the provision of the Act, the income of the Trust is exempt from tax subject to the compliance of terms and conditions specified in the Act.

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

NO: 3,VEERASAMY STREET, WEST MAMBALAM, CHENNAI - 600 033.

Notes to the financial statements for the year ended 31 March 2025

(Amount in Rs.)

i. Provisions and Contingencies

The Trust recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

j. Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank, cash in hand and current investments with an original maturity of three months or less.

All such Institutions/ Universities shall have to create the necessary Faculty, Infrastructure and other facilities WITHIN 2 YEARS to fulfil the norms based on the Affidavit submitted to AICTE beginning with the Academic Year 2022-23
3. Strict compliance of Anti-Ragging Regulation, Establishment of Committee for SC/ ST, Establishment of Internal Complaint Committee (ICC), Establishment of Online Grievance Redressal Mechanism, Barrier Free Built Environment for disabled and elderly persons, Fire and Safety Certificate should be maintained as Approval Process Handbook and provisions made in AICTE Regulation notified from time to time.
4. In case of any differences in content in this Computer generated Extension of Approval Letter, the content/information as approved by the Executive Council / General Council as available on the record of AICTE shall be final and binding.

Pharmacy Institute: In compliance with the order dated 05.03.2020 passed by the Hon'ble Supreme Court of India in Transferred Petitions (CIVIL) No 87-101 of 2014, for the existing institutions offering courses in Pharmacy Programme, approval of Pharmacy Council of India (PCI) is mandatory and AICTE approval is NOT required. The requirements for running the Programme (Diploma / UG / PG) such as Land & Build-up Area, Student-faculty ratio, Intake etc. will be as per the respective regulatory body (PCI). In case of any inconsistency in the course name and intake for EoA issued by AICTE and the approval by PCI, the approval of PCI shall prevail.

Architecture Institute: In compliance with the order dated 08.11.2019 passed by the Hon'ble Supreme Court of India in CA No.364/ 2005, for the existing Institutions offering Courses in Architecture Programme, approval by the Council of Architecture (CoA) is mandatory and AICTE approval is NOT required. The requirements for running the Programme (Diploma / UG / PG) such as Land & Build-up Area, Student-faculty ratio, Intake etc. will be as per respective regulatory body (CoA). In case of any inconsistency in the course name and intake for EoA issued by AICTE and the approval by CoA, the approval of CoA shall prevail.

Deemed to be University: Institutions Deemed to be Universities (Running Technical Education Programmes), it is mandatory to have AICTE approval from the Academic Year 2018-19 in compliance of the Hon'ble Supreme Court Order dated 03-11-2017 passed in CA No.17869- 17870 /2017.
